Dear Sirs,

With reference to the Circular 05/2020 issued by the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin), we herewith represent that:

1. We have taken due note that the securities, which we at present credit or which we shall in future credit in the securities safekeeping accounts held in our books and opened in the name of Clearstream Banking S.A., belong to the customers of Clearstream Banking S.A.. These accounts shall be designated "customers' account(s)".

Re: Three Point Declaration

Dear David

Unless otherwise defined in this document or the context otherwise requires, capitalised terms in this document have the meanings given to them in the operating rules of Austraclear Limited (**Austraclear Regulations**).

We, Austraclear Limited (ABN 94 002 060 773) (**Austraclear**), acting as central securities depository for the Austraclear System, confirm the following:

- 1) All Securities recorded in the Security Record of BNP Paribas (**Participant**) (other than a Pledged Security) are held by Austraclear as nominee or bailee for the Participant.
- 2) With respect to the Securities recorded in the Security Record of the Participant, subject to paragraph 1 above and Austraclear's obligation to observe the rights of a Pledgee in relation to a Pledged Security, Austraclear may not assert any security interest, lien or claim of any kind, except a claim of payment for the purchase, safe custody or administration of such Securities. Austraclear does not recognise any third party attachments, other than for providing Securities as Collateral or providing Loan Securities contemplated in the Austraclear system or via ASX Collateral. In these circumstances, the Participant (in whose Security Record the Securities have been recorded) will be required to take action to instruct Austraclear or ASX Collateral (as applicable) in the movement of any Securities.
- 3) There is nothing in the Austraclear Regulations which prohibits or allows the delegation of Austraclear's custody function. However, if the Reserve Bank of Australia (**RBA**) has reasonable grounds to believe that Austraclear is likely to become insolvent, if there is a material deterioration in the financial standing of Austraclear, if Austraclear is unable to maintain the continuing operation of the Austraclear System or if either Austraclear or Australian Securities Exchange Limited requests (provided the request is made before Austraclear becomes an externally administered body corporate within the meaning of the Corporations Act), the RBA may give a step-in notice to Austraclear stating a date and time from which the RBA or its nominee will assume day to day responsibility for the ongoing operation of the Austraclear System (including Austraclear's custody function).
- 4) Austraclear does not hold physical securities in the Austraclear system.
- 5) Austraclear is unable to facilitate any transfer of Securities recorded in the Security Record of the Participant to an account outside of Australia. Currently, the Austraclear System does not support the participation of offshore based Participants except in limited circumstances which do not involve dealings in Securities in the Austraclear System.

Three-Points-Declaration („Drei-Punkte-Erklärung“)

Dear Sirs,

With reference to the circular 06-2010 issued by the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin), the Bulgarian National Bank (BNB), acting as a Depository for all government securities issued in the Bulgarian market, taking into account the book-entry two-tier registry system of government securities, hereby confirm the following:

- 1) The Bulgarian National Bank maintains a Government Securities Settlement System (GSSS), in which, apart from the issuer accounts, it opens and keeps accounts as follows:
 1. Accounts for government securities owned by GSSS participants;
 2. Omnibus accounts for government securities owned by the customers of GSSS participants;

The BNB has opened an omnibus account for Clearstream Banking S.A. as a participant. The government securities credited in this account belong to the customers of Clearstream Banking S.A. and the account shall be designated “customers’ account”.

3. Accounts for encumbered government securities owned by GSSS participants.

GSSS participants that are government securities (GS) subdepositories open and keep individual GS accounts reflecting the government securities held by their customers (not by customers of their customers). Subdepositories segregate their own GS from those of their customers and they are not responsible to their creditors with GS of customers whose accounts they keep.

- 2) We may not assert any security interest, lien, right of retention or any similar rights over the government securities credited in the omnibus accounts owned by the customers of GSSS participants referred to in point 1) 2, including customers of Clearstream Banking S.A. as a GSSS participant. We may assert such rights with respect to the government securities credited in the GSSS participants’ own accounts referred to in point 1)1 only for a claim of payment for the safe custody or administration of the said securities.

3) Securities issued in the Depository for Government Securities in dematerialized form are solely represented by book-entry records in the accounts of our participants. We can delegate the custody function or transfer the securities to another country only under the circumstances of cross-border links established with CSDs from other EU Member States (Art. 3, par. 1, item 5 of Ordinance No. 5 of the Ministry of Finance and the BNB on the Terms and Procedure for Acquisition, Registration, Redemption and Trade in Government Securities) and with the express consent of the account holder.

Dear Sir, Madam,

As per your request, please note that:

1. We, Euroclear France ("EF") are a Central Securities Depository established under the laws of France. We hereby confirm that we do not hold title to the securities recorded in the securities safekeeping accounts opened in our books. Under French law, ownership rights are not materialised at the level of the central securities depository but at the level of its clients, i.e. the custodians (Teneurs de Compte Conservateur). Upon their request, EF enables the custodians to segregate their proprietary assets from the ones of their own customers in sub-accounts.
2. Since no ownership right is materialised at the level of the accounts maintained by EF, no interest lien, right of retention or similar rights is possible. Besides, attachment of the securities accounts maintained by EF is prohibited.
3. Securities issued in France are dematerialised and are solely represented by book-entry records in the accounts maintained in EF. EF maintains vaults for foreign securities, e.g. for some African securities. Such physical securities are recorded into accounts maintained by EF and the transfers of ownership rights on

the securities are effected by book-entry records. For the securities deposited with a foreign CSD with which EF has a link, EF ensures that a similar asset protection regime applies to the sub-deposited assets.

Three-Points-Declaration („Drei-Punkte-Erklärung“)

Dear Sirs,

With reference to the circular 06-2010 issued by the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin), we herewith represent that:

1. We require that client securities are at all times kept separately from bank's own securities. Accounts open for Clearstream Banking SA and securities held on behalf of its clients will be treated in similar manner either at a commercial bank or at NBG.

2. Lien or other measures of compulsory execution cannot be applied to securities held on a clients' behalf on the condition that such securities are held separately from proprietary assets of the Clearstream Banking SA. This is explicitly stipulated under paragraph 12 of Article 238 of the Tax Code of Georgia and paragraph 4 of Article 2¹ of the Law of Georgia on Enforcement Proceedings. In case the attachment of other measures of compulsory execution are applied to a participant's account, the legislation envisages different approaches to the execution of attachments and/or collection orders issued by different state authorities:

- In case the measures (including collection orders) are applied with the objective of execution of tax obligations or contractual obligations, the legislation does not prohibit notifying the participant about those measures.
- In case the lien or other measure of compulsory execution are applied as part of the investigation of a criminal case, the law prohibits notifying the participant of such measures. According to paragraph 12 of Article 374¹ of the Criminal Code of Georgia, disclosure of data concerning the investigative activities related to the seizure of bank accounts provided for by the Criminal Procedure Code of Georgia, before the account holder requests this information, is a criminal offense. Additionally, paragraph one of Article 202¹ of the Criminal Code defines, that disclosure by those responsible for the conduct of monitoring of the existence of an

instruction of the Financial Monitoring Service of Georgia concerning the suspension of execution of specific transaction or disclosure of the fact of the provision of information to the relevant authorities on a specific transaction subject to monitoring is also a criminal offense.

3. NBG is not entitled to entrust a third party with the effective safe custody of securities or the transfer of securities to another country. Under the applicable laws and other normative acts, it is the NBG's responsibility to act as depository for securities issued by the NBG itself or the Government of Georgia, and it is authorized to act upon the instructions of the holders.

Yours sincerely,

Three-Points-Declaration („Drei-Punkte-Erklärung“)

Dear Sirs,

Concerning the securities account No 10089305111253 held at the Bank of Greece (“**BoG**”) as CSD and operator of the System for Monitoring Transactions in Securities in electronic Book-Entry (“**BoGS**”), please note the following:

1. According to Law 2198/1994 dematerialised government securities are registered, in book-entry form, within the BoGS. The System’s participants, act as operators of accounts held therein (the “**Participants**”) according to articles 5 - 12 of Law 2198/1994 and the Operating Regulations of the System for Monitoring Transactions in Securities in book-entry form (“**Operating Rules**”). Each Participant holds two different accounts in the System, an «own portfolio account» and an «investor/customer portfolio account» which is a single account pooling together all the securities of the Participant’s customers (omnibus account).

Securities account no 10089305111253 (EU (other than Greek) Customers’ portfolio account) is an investor/customer portfolio account where dematerialised government securities issued in BOGS (Greek Government Bonds) are held. Therefore, the securities, which we at present credit or which we shall in future credit in the above securities account of Clearstream Banking AG, are registered on behalf of the customers of Clearstream Banking AG, pursuant to Article 6 paragraph 7 of law 2198/1994. Participants are obliged to keep separate records per customer (Art. 6 para. 5 of law 2198/1994) and to take at any time appropriate measures to ensure that securities registered in the customers’ account correspond to the securities belonging to their customers (Art. 9.3.2 of the Operating Rules).

2. With respect to the securities credited in these accounts, we may assert any security interest, lien, right of retention or any similar rights over these securities only for claims which arise from the purchase, administration and safe custody of these securities, in accordance with the Operating Rules of BOGS. We shall inform Clearstream Banking AG immediately if a third party levies any attachment upon or takes any other measures of compulsory execution in respect of these securities or of any other legal measures equivalent to seizure or attachment, which affect the securities. Please note, however, that, pursuant to Article 7 paragraph 2 of law 2198/1994 on the establishment of BoGS, accounts held with the latter are not subject to compulsory or conservatory seizure.

3. Securities issued in BoGS in dematerialized form are solely represented by book-entry records in the accounts of our participants. By virtue of Law 2198/1994, BoG is acting as a) CSD/Central Registry establishing the contractual relation between the bonds issuer and the participants of BoGS and, through the latter, the investors, as well as b) the BoGS Operator, according to the law and BoGS Operating Rules.

Without prejudice to T2S related functions, BoG is not entitled to outsource or assign any of its core functions as Registrar/CSD and BoGS Operator to a third party residing in or outside Greece.

It should be noted that, without prejudice to the role of BOGS as a CSD in providing and maintaining the securities accounts at the top tier level, safe custody of the securities registered with BoGS and registered in / held with BoGS participants' accounts is entrusted to the BoGS participants.

Dear Sirs,

1. According to Spanish legislation applicable to the registry of securities held by means of book-entry, the securities credited in securities accounts designated as "Cuentas de Terceros" of each Participant reflect the balance of the securities that the relevant Participant has registered in its accounts in the name of third parties.
2. With respect to the securities credited in this type of accounts and listed in AIAF and Bolsa de Valores, IBERCLEAR is not entitled to register any security interest, lien, right of retention or any similar rights over these securities. According to Spanish applicable laws, the registration or such rights in the securities account corresponds to the relevant Participant. In relation to securities listed on Mercado de Deuda Pública Anotada, IBERCLEAR will register such rights following the instructions of the Participant or compelling instructions issued by a competent authority.
3. With the exception of the securities listed in the Annex to this letter, the securities are issued and kept by means of book-entry. Therefore, there are no certificates or notes representing any of the securities. Likewise, there are no vaults or depository banks involved in the safekeeping.

Yours sincerely,

Please be informed that, pursuant to the Three-Point-Declaration issued by Nasdaq Dubai Limited (the “CSD”) to us, dated 4 July 2016, the CSD may assert any such security interest, lien, right of retention or any similar rights over securities we hold with the CSD “only (i) for claims which arise from the purchase, administration and safe custody of these securities and (ii) pursuant to contractual arrangements in place between” the CSD and us, namely the rules (the “CSD Rules”) of the CSD¹, as may be amended from time to time. We shall inform Clearstream Banking S.A. as soon as reasonably practicable, if a third party levies any attachment upon or takes any other measures of compulsory execution in respect of these securities or of any other similar events which affect the securities.
3. All securities are dematerialized or immobilized with a Central Securities Depository (CSD) and represented by book-entry records on our account with the said CSD. At the date of this Three-Point-Declaration, there are no depositary banks involved in the safe custody of the securities. If there were any depositary banks involved in the future, they would not be entitled, without specific approval from Clearstream Banking S.A., to entrust a third party in and outside their home country with the safe custody of such securities or to transfer them to another country. The securities are kept in our safe custody at a place within the frontiers of the United Arab Emirates. Without your consent, we are not entitled to entrust a third party, other than the CSD, with the effective safe custody of such Securities or to transfer them to another country.

Dear Sirs,

1. We have taken due note that the securities, which we at present credit or which we shall in future credit in the securities safekeeping accounts kept for Deutsche Securities and Services (the "Custodian") and held in their segregated account belong to the customer of the Custodian. These accounts shall be designated "customers' account(s)" or shall be in the name of segregated customers.

2. With respect to the securities credited in these accounts, we may assert any security interest, lien, right of retention or any similar rights over these securities only (i) for claims which arise from the purchase, administration and safe custody of these securities and (ii) pursuant to contractual arrangements in place between the Custodian and us. Immobilised securities are kept in safe custody in our own vaults in safekeeping accounts designated in the name of our nominee or may be held in accordance with other arrangements which shall be notified to the Custodian.

In the event we appoint or otherwise allow the appointment of sub-custodians, we shall use reasonable endeavours to ensure that this Three-Point-Declaration shall be

applicable to such sub-custodians and that sub-custodians commit third parties entrusted with the effective safe custody accordingly as well.

Nothing in this declaration will be deemed to give the Custodian greater rights than may be specified in the CSD Terms and Condition signed by the Custodian with Nasdaq Dubai.

Dear Mr Arora

Three-Point Declaration from Euroclear UK & Ireland Limited ("EUI")

Further to the Bundesverband deutscher Banken's request for a three-point declaration from EUI, we confirm that:

1. We have taken due note that the securities which we at present credit or which we will in future credit as customer positions of our participants that are German Banks belong to final clients of the German Banks. The relevant securities accounts may be designated "customer's account" by such Banks.
2. With respect to the securities credited in these accounts, we may assert any security interest, lien, right of retention or any similar rights over a particular security only for claims which arise from the fees, costs, taxes, duties, and charges attributable to the purchase, administration and holding of that security, and such lien only applies to securities held in trust for issuance of Crest Depositary Interests (CDIs). EUI has no lien on UK, Irish, Jersey, Guernsey or Isle of Man domestic securities. We confirm that we would inform the issuer's registrar immediately if a third party levies any attachment upon or takes any other measures of compulsory execution in respect of these securities or of any other important events which affect the securities, unless we are prevented from doing so as a matter of law, regulation or judicial or regulatory proceedings.
3. Domestic UK, Irish, Jersey, Guernsey and Isle of Man securities are recorded on the CREST Operator Register located in the United Kingdom. The foreign securities represented in the CREST System as CDIs are kept in safe custody in the name of one of our wholly-owned CREST Nominee companies at a place within the frontiers of the country of the underlying depository (Euroclear Bank, SIS or DTCC, as the case may be) or their respective sub-depositaries in another country in accordance with their regular terms and conditions for holding such securities.
