## One-Time Certificate – FFI – NQI

### Segregated Account for FATCA non-compliant recipients or FATCA compliant recipients being non-U.S. beneficial owners, U.S. exempt recipients or U.S. specified persons in a U.S. payee pool

- iii) Similarly, the U.S. Department of the Treasury or the IRS may determine that any certificate or statement given by us will not be valid to prevent the imposition of the 30% U.S. withholding tax on payments to us of interest that would otherwise qualify for exemption from such tax as “portfolio interest” within the meaning of sections 871(h) and 881(c) of the Code. The U.S. Department of the Treasury or the IRS may further determine that any certificate or statement given by us will be ineffectual in the preclusion of or entitlement to a reduction of the imposition of the 30% U.S. withholding tax on payments to us of dividends within the meaning of the Code.
- iv) In case Clearstream receives the income distributed by the Securities net of U.S. withholding taxes (due to the absence of U.S. tax services offered by Clearstream’s upstream agents), Clearstream will not offer any U.S. tax relief at source nor reclaim service on such specific income payment. Any reclaim of U.S. withholding taxes will have to be applied directly to the IRS.
