Clearstream account(s): _____ (the "Account")

We, the undersigned client of Clearstream¹ may hold, from time to time in our Account, Slovakian equities that are subject to Slovakian withholding tax (the "Securities"). In relation to the process of relief at source on income payments on the Securities in the Account, we hereby certify, represent and warrant to Clearstream that:

- We acknowledge that no common relief at source procedure has been published by the Slovakian issuers being the withholding agents and that each Slovakian issuer therefore apply its own procedure for applying the relief at source on Slovakian dividend distributions;
- We undertake to refer to the tax notification sent to us by Clearstream, for each relief at source event (Swift or Xact Web Portal message), stating the issuer's and Clearstream's requirements in order to apply the appropriate procedure for the relevant Slovakian tax relief at source, when applicable;
- We further acknowledge that Clearstream will not be liable to us for acting in good faith in relying upon this certificate or any other related documents provided by us, and we undertake to hold Clearstream harmless from any loss, claim, liability or expense asserted against or imposed upon Clearstream as a result of such action.

We irrevocably authorise Clearstream to rely on the information contained in this certificate for the relevant Slovakian relief at source we are applying for in relation to the Securities.

We hereby appoint Clearstream and Clearstream's Slovakian depository for the Securities as our attorneys-in-fact with authority to collect and forward this certificate or a copy of this certificate, any attachments and any information relating to it to the Slovakian authorities, if these prove relevant to any administrative or legal proceedings or official inquiries undertaken or threatened.

We undertake:

- i) to ensure that the beneficial owners for which tax relief or exemption is requested, are indeed eligible for it and are complying with their legal obligations;

We further certify that, in the event the Securities are held by us in our capacity as beneficial owner:

- we qualify as the beneficial owner for tax purposes and are entitled to any related tax relief claimed, based on the applicable tax laws and regulations in the Slovakian market;
- such related tax relief entitlement to any related tax relief is valid for any such Securities sourced in the Slovakian market already held on the Account or to be held in the future in the Account;
- such related tax relief entitlement to any related tax relief is not restricted by any contractual obligation such as a lending or collateral arrangement
