Clearstream Europe¹ account(s): _____ (the "Account")

We are a client of Clearstream Europe and hold or may in the future hold Australian equities in our Account with Clearstream Europe.

For income payments made on Australian equities, we acknowledge that the standard rate of Australian withholding tax is 30% and that Clearstream Europe applies by default a 15% withholding tax rate at source on dividend payments for Australian equities.

We hereby acknowledge that, for the purpose of obtaining Clearstream Europe's default rate of 15% for Australian equities we must submit to Clearstream Europe this "Request for Application of a Reduced Rate of Australian Withholding Tax on Dividends" once and we hereby accept that our positions for which we did not submit this onetime certificate will be taxed at the Clearstream Europe default rate of 30%.

If beneficial owners are subject to a different tax rate, due to a different tax residency, or eligibility for tax exemption under Australian domestic law, or non-eligibility for a reduced rate of Australian withholding tax, we hereby certify that we will submit to Clearstream Europe, in addition to this one-time certificate, no later than the deadlines prescribed by Clearstream Europe, via Swift or other agreed authenticated means of communication, a breakdown of holdings with the tax rates to be applied on payment date.

Furthermore, we hereby certify that we shall, **upon request**, submit the following documentation to Clearstream Europe:

- A List of Beneficial Owners - Australian Securities including the list of beneficial owners that obtained exemption or a reduced rate of Australian withholding tax, in the format prescribed by Clearstream Europe in the Clearstream Europe Client Tax Guide for Australia; and
- Proof of tax residence for beneficial owners eligible to obtain a reduced rate of withholding tax at source in accordance with a Double Taxation Treaty (DTT) between their country of residence and Australia; and
- Certification proving the eligibility of beneficial owners for exemption under the relevant Australian domestic law; and
- Any other tax documentation required from time to time.

We accept full liability and responsibility for any claims of whatever nature, including, but not limited to, claims for additional taxes, interest thereon or penalties imposed by tax authorities, subsequent to or resulting from the present certification and/or our application for a lower rate of withholding tax to be obtained in accordance with the above procedure.
